

Aura Modeling Agency — Client Agreement

Client Agreement

This document confirms Aura Modeling Agency's terms of engagement for talent representation, package purchases, and shoot bookings. See separate crew agreement for on-set operations.

Cancellation Policy — 24 Hours & Account Pause

Cancellations made more than 24 hours before the scheduled shoot slot are free of charge. Any cancellation made within 24 hours of the shoot triggers a mandatory \$10 CAD late-cancellation fee. Until the fee is paid via Stripe, the talent's AMA account is placed on Payment Hold and cannot book new shoots, purchase add-ons (Photographer / Makeup Artist), submit makeup requests, or file off-day requests. Payment Hold is lifted automatically upon Stripe confirmation.

Post-Approval Add-Ons — \$100 CAD each

Once AMA confirms a shoot, Basic and Premium talents may optionally add a Photographer (\$100 CAD) and/or a Makeup Artist (\$100 CAD) via the Payments tab. Platinum representation includes both add-ons on every confirmed shoot at no extra charge. Add-on payments are final and non-refundable once the shoot has occurred.

Barber & Hairstylist — Male Talents (\$100 CAD)

AMA's male-identifying talents receive access to AMA's in-house Barber & Hairstylist service for \$100 CAD per shoot. The service is provided exclusively by AMA's roster stylist and cannot be substituted with an external barber under this agreement, so that our male talents present a consistent, on-brand look that matches client expectations. The service includes precision haircut, styling, full hot-towel service, and (on request) a full-face wax. Delivered on-site immediately before the photoshoot. Female-identifying and non-binary talents may substitute the Makeup Artist add-on as their in-house grooming option. Platinum male talents receive Barber & Hairstylist at no extra charge.
